

VICTIMS ONLY

INTERNATIONAL CHIROPRACTIC ABUSE REGISTRY

Welcome to the International Chiropractic Abuse Registry (ICAR), the first ever global registry to enable medical professionals and families of victims of chiropractic abuse to document their concerns over the use of certain chiropractic methods that have resulted in death or serious injury. *If for legal or others reasons you do not wish your name to be used in reporting a case, we will honour your request without posting your name. However we will post your story.*

Please outline the particulars concerning your case which will be posted on our website. *It is our intention to document cases where a loved one has died or been seriously injured during or following chiropractic treatments and then report these findings to the appropriate government authorities.*
